The British Society for the History of Pharmacy was formed in 1967 under the aegis of the Pharmaceutical Society of Great Britain, having originated from its History of Pharmacy Committee. BSHP seeks to act as a focus for the development of all areas of the history of Pharmacy, from the works of the ancient apothecary to today's ever changing role of the community, hospital, wholesale or industrial pharmacist.

## Aims

Promotion of historical studies related to pharmacy.  
Advancement of knowledge and propagation of understanding of the history of pharmacy.  
Publication of the research work of pharmaceutical historians.  
Preservation of pharmaceutical artefacts and historic pharmacies.  
Support for the work of relevant museums and offering advice on establishment of other pharmaceutical exhibits and on the preservation of pharmacies.  
Co-operation with related professions and local historians on medico-pharmaceutical topics of mutual interest.

## Pharmaceutical Historian

The *Pharmaceutical Historian* has been published since 1967, at first intermittently, but on a regular quarterly basis from 1972.

An index for the years 1967-1995 was published in 1998. An index for 1996-2000 was published with the December 2000 issue. Issues generally comprise 16 pages and cover.

Papers, short communications and letters in English on any aspect of the history of pharmacy are welcome and should be sent to the address above or by email to [bshpeditor@associationhq.org.uk](mailto:bshpeditor@associationhq.org.uk)

Any illustrations are converted to monochrome for printing. Further details of requirements can be found on the website [www.bshp.org](http://www.bshp.org) under Publications.

## Membership

Membership costs £20.00 per annum and includes:

Four issues of the *Pharmaceutical Historian*.

Regular meetings, with guest speakers, usually in November, February and May. (Many meetings are College of Pharmacy Practice accredited for post-graduate education requirement.)

Visits to places of historic interest, museums, collections, botanical gardens, etc.

Annual Conference, usually in March/April.

Free use of Royal Pharmaceutical Society of Great Britain's library facilities for research.

Help in historical research and with the identification of artefacts.

Affiliation to the International Society for the History of Pharmacy (ISHP).

Affiliation to the British Society for the History of Medicine (BSHM).

*Application forms* are available from the Honorary Secretary at the address above or on [www.bshp.org](http://www.bshp.org)
